FACTS

The Sun beats down into the Arena, the dust settles and the crowd become silent.

Helios tension is obvious. The smallest mistake now, could mean the thumbs down in this fight to the death!

Avatar destroyer... observing... waiting for the ultimate chance to deliver the final strike! Live or die - there can only be one survivor in this fast and furious game.

Specifications

Width 127 cm
Height 109 cm (variable)
Length 266 cm
Weight 250 kg
Power consumption 135 W

The „Versus Advantage“

Prime player in a new category

A new kind of sports game with focus on power play, speed and reaction

A true mens game

The perfect play to fight many duels with real friends

Ultra active

The Gladiator turns your venture into a power room. It's tough and takes all your energy and builds real strength like a serious work out in a sweat shop

Quick check goal system

No distractions and no need to take your eyes off the game. A flick of the eyes is all it takes

Cool design with cult potential

The design and illustrations of David v. Bassewitz provide you with super cool graphics, ideal to promote your venture and advertise

Highest quality standards

Trials show that the non circulating vertical ball lifting mechanism is jam free and efficient

Fantastic cash box

In places where sports game noise is accepted this game is topping even air hockey incomes
