# Facts

Poised for action, ready to battle - the two opponents face each other in the glow of the fluorescing lights.

Scarlet suddenly shoots out her hand to send the puck speeding across the table in a blur. This is her game... fast and aggressive!

Blonde sees it coming and moves to intercept... she smiles... in a cool manoeuvre she uses the energy of the strike and sends the puck flying back, into the goal - who`s next?

## Conversion-Kit Design

Design sticker side panels, arena lights (2), bumpers, fluorescent pucks, paddles, goals & badges and quick check goal displays (4)

## Conversion-Kit Premium

## The „Versus Advantage“

### Built to last

We use only top grade materials for long lasting products

### Conversion-kit concept

All products are part of a series and build on each other with upgrades and top technology

### Fluorescent floodlight

High speed light effects guarantee a fascinating prime time experience and excitement

### Quick check goal system

No distractions and no need to take your eyes off the game. A flick of the eyes is all it takes.

### Addictive arena feeling

Each versus component drives an intense battle feeling & turns your venture into an event location and sport games arena

### Select your character

This is more than a game. The opponents slip into fighting characters to defend their lives from battle to battle

### Eye catching graphics

The enticing design and illustration concept provides you with unique graphics to promote your venture and advertise
